

Celebrating 75 years of the Fulbright Program and 65 years of the Fulbright Commission in Peru

Are you interested in implementing a **project that promotes mutual understanding between Peru and the United States**? Are you a Fulbright Alum? If you answered yes, then this call for applications is for you!

- Available funding: up to USD 2,000 per selected group. Maximum number of selected groups: 2.
- Type of Program: online.
- Beneficiaries of the program: natural persons, no institutions
- Topics to be considered: the Commission will select projects that promote the impact of the Fulbright grants in the United States and Peru.
- Groups should be composed of Fulbright Alumni, and each group should include at least two Alumni from different Fulbright grants to the U.S. and/or Peru.
- Proposals and budgets must be duly supported and easy to understand as they will be evaluated by a Reviewing Committee.
- Proposed activities for the project will must be conducted no later than October 29th, 2021.

Proposal Submission

Please send us the proposal in English to programas@fulbright.pe with the subject "Fulbright Projects". The project must include:

- Project Title
- Summary of the project, objectives, and main activities.
- Budgeted cost for the project
- Project leader and team members: include their full name and the name and year of their Fulbright grant.
- Project description stating the goals in implementing this proposal and highlighting its landmarks.
- Evaluation to determine the impact and success of the project (indicators)
- Itemized budget providing clear support for each expense
- Application deadline: July 11th, 2021.
- Publication of results: July 26th, 2021.
- Proposal length limit: 3 pages.

Join us in celebrating the anniversary of the Fulbright Commission in Peru!
